01 Your top leaks

1 medium **No main heading (H1) on the page**

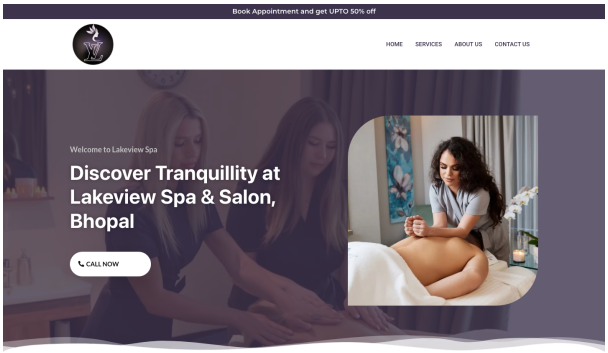

Visitors can't tell what the business offers in 3 seconds.

2 medium **No reviews, testimonials or client proof on the page**

New visitors have no reason to trust you over an established competitor.

3 low **No pricing visible anywhere**

Buyers self-qualify on price — hiding it delays every conversation and filters out ready customers.

02 Growth gaps (beyond the website)

1 **No social footprint wired to the site**

Footer has three empty social icons and no official Facebook/Instagram page surfaced — no owned channel to retarget or showcase reviews.

2 **Booking depends entirely on manual follow-up**

Only appointment path is a form plus Call/WhatsApp buttons — no online scheduling, every booking needs a phone callback.

3 **Site maintenance signals are stale**

Footer still shows ©2024 and placeholder social anchors — a dated first impression vs competitor spas.

03 What Nexg does
