01 Your top leaks

1 high **9 broken link(s) on the homepage**

Dead links signal an abandoned site — visitors lose trust and go to a competitor.

2 medium **Homepage loads in 2.7s**

Slower than the 2.5s where conversions start to drop.

3 medium **First content appears after 2.3s**

Visitors stare at a blank screen — many bounce before seeing anything.

02 Growth gaps (beyond the website)

1 **Only 11 Google reviews behind a 'top coaching institute' claim**

4.9/5 but from just 11 reviews — loses local-search proof against rivals with hundreds.

2 **Fragmented brand and contact identity across channels**

Operates as Sterofox Academy Pvt Ltd with a different contact set on Google Play and two LinkedIn pages — prospects find inconsistent identities and inboxes.

3 **Site still loads third-party AdSense code**

Homepage loads AdSense alongside the Meta Pixel — the institute's own lead page can display competitor advertising.
